

Your voice in a united **South Burnett**

Keith CAMPBELL

for **Division 4**

Dear elector,

On **Saturday March 15, 2008** all Queenslanders will vote at Local Government elections to select their new Council representatives.

I will be standing as a **Councillor** in **Division 4** of the new **South Burnett Regional Council**.

I'm an experienced Councillor, having served nine years with **Kingaroy Shire Council**, and believe I have the time, experience, foresight and community engagement to make a positive contribution to the continued growth and development of our region.

Experience:

- Born and raised in Kingaroy on a dairying and cropping property
- 42 years with Bean Growers Australia at senior management level
- President Kingaroy Chamber of Commerce 2001-04 & current Executive Member
- President Kingaroy & District Meals on Wheels
- Member of the Wide Bay Burnett Regional Community Forum
- Treasurer & Executive Member of St John's Lutheran School
- Justice of the Peace (Qual)
- Former Board Member of Southern Qld Institute of TAFE, President Kingaroy State High School P&C, President Orana Homes of the Aged and Board Member St Aubyns Private Hospital

I've served on many other local organisations over many years in a voluntary capacity and believe I've built positive relationships in many areas including health, aged care, education (primary, secondary and TAFE), business, agriculture and sports.

What's important to me now is to create an opportunity for you to have a say on matters that are important to you and encourage you to help shape our new Regional Shire.

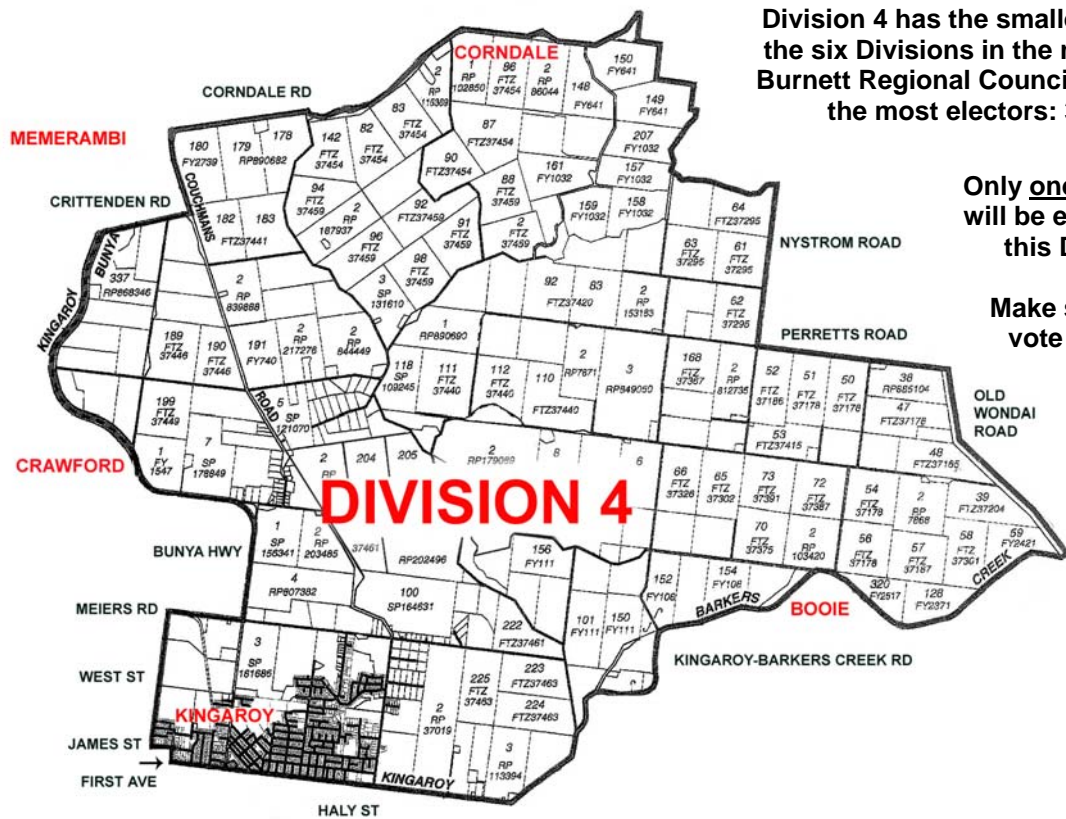

Please feel free to discuss your thoughts with me on any matters. I guarantee I'll listen!

I believe that the new regional structure for the South Burnett will bring about great gains in economic development and economies of scale if run efficiently and with vision. This will create opportunities for local residents and create confidence in our future. However it will be important to have a team of **effective** and **experienced** Councillors to lead our new South Burnett Regional Council forward, especially during this vital first term.

I believe that I'm a professional and effective councillor who "can get the job done" by applying the knowledge I've accumulated over my lifetime of involvement in the local area.

Are you in Division 4? Please see over
